

REPUBLIC OF THE MARSHALL ISLANDS

MARITIME ADMINISTRATOR

REPORT OF OPERATIONAL SAFETY INSPECTION MOBILE OFFSHORE UNIT (MOU)

This inspection is being conducted as part of the responsibilities of the Republic of the Marshall Islands (RMI) Maritime Administrator (the "Administrator") under Article 94 of the United Nations Law of the Sea (UNCLOS) treaty. It represents a part of the Administrator's oversight of vessel compliance with applicable safety, security and pollution prevention requirements pursuant to RMI and international laws. Nautical Inspectors shall conduct the inspection in accordance with the guidance provided by the Administrator. Inspectors shall provide written comments where appropriate to document the vessel's condition and crew competence. A copy of the Safety Inspection Form and supplemental pages for additional comments as necessary shall be given to the Master upon completion of the Inspection.

The Mobile Offshore Unit (MOU) holds the following safety certificate:

- ☐ 2009 MODU Code
- ☐ 1989 MODU Code
- ☐ 1979 MODU Code
- ☐ National MOU Document of Compliance (NDOC)
