

REPUBLIC OF THE MARSHALL ISLANDS

Maritime Administrator

AFFIRMATION RE-MARKINGS - YACHTS

[Where a change of yacht's name, port of registry, and/or draft has been applied for and a Certificate of Measurement has already been issued, this form must be executed under the provisions of Section 208, Chapter 2 of the Republic of the Marshall Islands Maritime Act 1990 as a precondition for issuance of a PERMANENT CERTIFICATE OF REGISTRY.]

I, _____ ,
do hereby affirm that I am the _____ of the
Republic of the Marshall Islands flagged yacht _____ ,
with Official Number _____ ,
and that the markings required to be made by Section 230, Chapter 2, of the Republic of the
Marshall Islands Maritime Act 1990, as prescribed by the Marshall Islands Yacht Code (MI-103),
and as stated below, have actually been made on the said yacht.

- Every documented vessel shall have its name marked upon the stern. The name shall be in a contrasting color and distinctly visible and the letters or symbols shall not be less than 150 millimeters (mm) in height.
- Life-Saving Appliances shall be marked with the yacht's name and port of registry.
- Transmitting and receiving radio equipment shall be (re-) programmed with the applicable data as required.
